These factors may include, but are not limited to, other Payment Guidelines, legislative mandates, the type of provider arrangement and the terms of that agreement, and/or the member's benefit coverage document.

**Purpose**

Unlisted Procedure Codes: CPT or HCPCS codes meant to describe non-specific services or supplies. Unlisted Procedure Codes need to be reviewed because they have high abuse potential. Unlisted Procedure Codes are considered appropriate when a CPT/HCPCS code that accurately identifies an item, service or procedure performed does not exist. Wellfleet reviews appropriate supporting documentation for unlisted or not otherwise classified (NOC) codes, as described below.

---

**Scope**

This Guideline covers all submitted claims with Unlisted Procedure Codes as described under "Definitions" below.
