**Cigna Payer Solutions**

The information contained within this document is the code listing currently reviewed by the Cigna intake department and/or medical management team for the purpose of outpatient precertification.

The codes provided may be used solely for Payer claim adjudication and cannot be used or distributed for any other purpose. For example, the code listing shall not be included in any plan documents, summary plan documents or used in any other external facing materials. The code listing should also not be used for purposes of verifying services/procedures requiring pre-certification in response to provider inquiries. Verification of services and procedures to be pre-certified and pre-certification itself is to be conducted exclusively by Cigna.

This list is subject to change at any time without prior notice. It is not to be distributed.

Please contact your dedicated account team with any questions.
